COMMUNITY BENEFIT 2011

Marianjoy

Beyond working to fulfill our Mission on a daily basis, our Values compel us to share our talents and resources in an even greater way to benefit the many communities we serve. In fiscal 2011*, Marianjoy contributed more than $6 million to our communities.

UNREIMBURSED COST OF GOVERNMENT-SPONSORED PROGRAMS Shortfall experienced when payments received are below the cost of treating public beneficiaries through Medicaid and other public programs.	$ 1,955,861
CHARITY CARE Free or discounted health services provided to those who cannot afford to pay and who meet all criteria for financial assistance. Charity care is based on actual costs, not charges, and does not include bad debt.	$ 780,409
HEALTH PROFESSIONS EDUCATION Direct costs incurred for accredited training and education programs for physicians, nurses, allied health professionals, and technicians (does not include ongoing education for staff).	$ 1,937,462
COMMUNITY HEALTH IMPROVEMENT SERVICES Clinical and non-clinical services designed to improve community health, which are provided to the community for free or for fees that did not cover costs.	$ 878,010
RESEARCH Costs incurred for clinical and community health-related research, such as medical equipment testing, controlled studies of therapeutic protocols, and studies of health care delivery methods which are able to be generalized, shared with the public, and funded by a not-for-profit or governmental entity.	$ 175,248
FINANCIAL CONTRIBUTIONS Contributions made to individuals, community groups, or non-profit organizations for charitable purposes including cash, non-cash items such as food, furniture, equipment, supplies, and loaned staff for volunteer and charitable purposes.	$ 300,046
COMMUNITY BENEFIT OPERATIONS Costs associated with dedicated staff and community health needs and/or assets assessment, as well as other costs associated with community benefit strategy and operations.	$ 19,227
TOTAL BENEFIT TO THE COMMUNITY **July 1, 2010–June 30, 2011*	**$6,046,263**

In addition to the community benefit described above, Wheaton Franciscan Healthcare in Illinois also provides care to Medicare patients that is not fully reimbursed by the government. According to our most current financial data available, we provided $2,156,293 in unreimbursed Medicare services. We are not including the Medicare shortfall in our community benefit totals in accordance with the Catholic Health Association's Community Benefit Guidelines.

COMMUNITY BENEFIT 2011

Marianjoy

Marianjoy Rehabilitation Hospital is Wheaton Franciscan Healthcare's only freestanding rehabilitation hospital. Located in Wheaton, Illinois, Marianjoy is a recognized leader in providing exceptional, progressive, and compassionate rehabilitative care for adults and children. Its main campus offers 108 private beds for acute inpatient rehabilitation and a 20 private room subacute skilled nursing unit.

In keeping with the Mission, Vision, and Values of Wheaton Franciscan Healthcare, Marianjoy has assembled a staff of board-certified rehabilitation physicians, highly skilled nurses, and therapy professionals. Committed to achieving quality outcomes and clinical excellence, Marianjoy associates provide highly effective therapy for their patients, while researching new techniques, many of which have been adopted by professionals worldwide. In addition, Marianjoy is dedicated to advocacy, educational support, and employment assistance to patients and those who live with disabilities.

In addition to the inpatient acute and skilled rehabilitation services of the hospital, Marianjoy offers an array of comprehensive outpatient services as part of its full continuum of care. Further, Marianjoy supplies rehabilitation services in conjunction with a number of partners across the greater Chicago area.
