The Marianjoy Scholarship Program

Sponsored by Marianjoy Rehabilitation Hospital

Living with a physical disability requires courage. Pursuing a quality education requires determination. A quality education enables students to pursue opportunities, explore possibilities, and fulfill their dreams.

**Pursuing a dream,
no matter the
obstacles,
requires
determination.**

In keeping with Marianjoy's commitment to assisting people with permanent physical disabilities like those served through Marianjoy's own programs, the Marianjoy Scholarship Program was established in 1994.

During the past 14 years, nearly \$500,000 in scholarships has been awarded to more than 120 talented students. The program is funded each year through the generous support of individuals, families, businesses and other organizations. Scholarships for post-high school education are awarded to qualifying students pursuing educational programs at accredited four-year colleges and universities, two-year colleges, or vocational-technical schools in the United States.

Marianjoy is grateful to our growing number of generous donors who support the Marianjoy Scholarship Program and help provide our scholars with the opportunities to pursue their dreams.
