MOMS FOR Marianjoy

The Marianjoy Pediatric Rehabilitation Program provides inpatient and outpatient rehabilitative care to children, from birth to 18 years of age, who have physical and/or learning challenges due to illness, injury or congenital causes.

Our ultimate goal is to guide your child as close as possible to where he or she needs to be at this stage of life – learning, playing, and living life to the fullest.

The Marianjoy Pediatric Rehabilitation Program treats patients with:

- Cerebral palsy
- Orthopedic conditions
- Neuromuscular disease
- Brain injury
- Spinal cord injury
- Congenital abnormalities
- Arthritis
- Autism spectrum disorders
- Sensory integrative dysfunction
- Pulmonary disease

Wheaton Franciscan Healthcare

If you're a mother, grandmother, friend, relative or caregiver of a Marianjoy pediatric patient, Marianjoy would like to hear from you. We are in the process of creating a new forum— **Moms for Marianjoy**.

Moms for Marianjoy will provide networking opportunities and educational programs for parents and caregivers, as well as promote fundraising events that support the Marianjoy pediatric program.

Please join **Dr. Mary Keen**, *Medical Director, Pediatric Program*, **Ginny Girten**, *Pediatric Program Supervisor*, and **Kathleen Yosko**, *President and CEO of Marianjoy*.
